MOVES#108 LIUBA »video-works from performance«

Screening

19. Januar 2016, 20:30 Uhr

Liebe Freunde,

Image Movement freut sich auf einen Abend mit der Künstlerin LIUBA.

»My art work is concerned with social, anthropological, geographical, philosophical issues, human behavior, interactivity and chance.«

LIUBA ist eine Performance-Künstlerin, die in Berlin, Milano und Rimini lebt und arbeitet. Für ihre ortsspezifischen Projekte kollaboriert sie mit Anthropologen und Soziologen. In allen agiert sie als Schlüsselfigur, sie liefert sich dabei dem öffentlich alltäglichen Leben aus, opfert Choreographie dem Zufall, fordert den umgebenden Raum wie auch die Passanten zu Reaktion, zu Interaktion heraus.

Vor kurzem begann **LIUBA** mit der Arbeit an partizipativ-kollektiven Performances.

»My work is composed of projects that involve several processes and in which are implemented diverse skills and media; 1) Concept, 2) Research, 3) Preparation for the performance (outfit and object research, urban research and location choice, selection of technical staff, psycho-physical training 4) the performance itself, 5) editing and direction of the video, 6) selection of video stills and videoinstallations.«

LIUBAs Arbeit wurde auf zahlreichen Ausstellungen und Messen gezeigt, darunter die *Biennale* in Venedig, *The Armory Show*, New York, *PAC Milan*, auf der *Art Basel* oder der *Scope London*. Bei Image Movement werden wir eine Auswahl ihrer *video-works from performance* zeigen, darunter auch ihre zwei aktuellsten Arbeiten, die sie mit Flüchtlingen in Berlin realisiert hat.

» My main interest is life.«

LIUBA wird anwesend sein.

Der Eintritt ist frei.

Screening

19. January 2016, 8:30pm

Dear Friends,

Image Movement is delighted to host an evening with LIUBA.

»My art work is concerned with social, anthropological, geographical, philosophical issues, human behavior, interactivity and chance.«

LIUBA is a performance artist living between Berlin, Milan, and Rimini.

She is collaborating with anthropologists and sociologists for her site-specific projects. In all of them she is the key actor, dropped into everyday public life, switching from choreography to change, and challenging the space and the surrounding people to interact.

Most recently she started working on participative collective performances.

»My work is composed of projects that involve several processes and in which are implemented diverse skills and media; 1) Concept, 2) Research, 3) Preparation for the performance (outfit and object research, urban research and location choice, selection of technical staff, psycho-physical training 4) the performance itself, 5) editing and direction of the video, 6) selection of video stills and videoinstallations.«

LIUBA's work has been presented in many exhibitions, including *Venice Biennial, The Armory Show New York, PAC Milan, Art Basel, or Scope London*. At Image Movement we will screen a selection of her *video–works from performance*. Including two most recent works which she realised with refugees in Berlin.

» My main interest is life.«

LIUBA will be present.

Admission is free.
