

MOVES#158 The Mouth »Halloween Horror Show«

Live performance | Animated backdrop

Tuesday 31 October 2017 8:30pm

Dear Madames & Sirs,

We would like to invite you to **The Mouth »Halloween Horror Show«**.

The Mouth will perform live. A one-off-show. Get ready for a dose of *No wave electro-garage clowncore*. Before **The Mouth** will disband for good.

*»It's been a fun jam, but I gotta roll elsewhere. I promised one show only. Many times. Besides, these space suits are starting to piss me off! I will be bringing out the best young acts of the 21st Century and producing that shit, plus making dope videos, so check this site out soon for the first release. It is the shit, that **The Mouth** can put his money into his mouth where it is, or something like that. Fuck, I don't know, I'm about to bust into early retirement, and it's a bit spooky and all. Ah, Fuck it anyway, I have always climbed the hardest borders to get by on my way. Thanks all y'all!» [The Mouth]*

The Mouth will continue [elsewheres](#): launching a new record label and producing young bands. More information in the [coming weeks](#). Stay tuned!

Admission is free.
